

FOR IMMEDIATE RELEASE:

Wilkes-Barre City Employees Completes CAMS-ii Core Processing Solution Conversion

Powell, Ohio-September 15, 2015- When Joe Gimble became CEO of Wilkes-Barre City Employees FCU, Wilkes-Barre, PA, one of his first tasks was to replace their core processing with a system and company he knew and trusted. And he has gotten the job done. Having been an integral part of implementing the CAMS-ii Core Processing Solution from R. C. Olmstead, Inc. (RCO) of Powell, Ohio at his previous Credit Union, Gimble knew it was the right choice for his \$38 million, 1981 member Credit Union.

With the implementation of CAMS-ii Core Processing Solution complete, Gimble described his satisfaction with the preparation, training and implementation by the RCO staff in a note to the RCO team, “I just wanted to say thank you for all of your hard work last week and the weeks leading up. It was a super smooth transition and I couldn’t be happier.”

“I am so happy to be back on CAMS-ii!” continued Gimble knowing that his members and employees will be able to enjoy all of the features in the CAMS-ii system.

As well as core processing, Wilkes-Barre City Employees FCU will be utilizing other CAMS-ii features including: Home Banking, mobile applications, loan document signatures from home, e-alerts, real-time ATM/Debit card processing and Check 21 services from the teller line.
